ON THE HORIZON

Easy, In Home ALTERATIONS

Once you've found your dream wedding wardrobe, then comes the question of tailoring. Thankfully, there's a new service that brings expert tailors to your front door – literally! zTailors launched in 2015 as the first-ever national tailor network, which offers on-demand service to everyone. Simply hop online or call to request a tailor. Each tailor available within the zTailors' network has been vetted and has a minimum of five years of professional experience and can often get your pieces back to you within a week. ztailors.com

Professional DIY FLOWER KITS

Fleurish is a floral design bar in California, which teaches classes and hosts parties to help you fine-tune your floral design skills. Now, they've introduced shippable flower kits that can be sent all over the U.S. and could be a perfect option for your wedding or bridal events. The kits come with everything you'll need to create a beautiful floral arrangement: the flowers, vase, necessary tools and step-by-step instructions. Whether you want to create a floral crown for your bridal shower or boutonnieres for the groomsmen, Fleurish makes a great option for the DIY couple. youfleurish.com
