**Tai Chi:** If you're looking for a way to reduce stress, consider tai chi (TIE-CHEE). Originally developed for self-defense, tai chi has evolved into a graceful form of exercise that's now used for stress reduction and a variety of other health conditions. Often described as meditation in motion, tai chi promotes serenity through gentle, flowing movements.

**Meditative Stretch:** Enjoy a full body, restorative stretch along with the quiet Zen atmosphere of peaceful music playing in the background. You will experience various props to help facilitate a safe and effective stretch. Leave this class feeling refreshed and renewed.

**Aerial Yoga:** Experience yoga by connecting with the element of air! Aerial yoga is a combination of traditional yoga poses done on the floor and postures practiced using a soft fabric trapeze (Hammock/Sling) suspended at hip height. Aerial yoga helps you to move freely with less effort by counteracting gravity. Suspension in the air releases tension in the bones and muscles, strengthens core muscles while increasing spinal and shoulder flexibility. Leave your worries and come fly with us!
