Montauk Yacht Club

WHERE TO STAY

A haute favorite, **Gurney's Montauk Resort & Seawater Spa** is marking its 100th anniversary this summer as the only year-round oceanfront resort in Montauk, celebrating the milestone with the return of the Dolce & Gabbana Beach Club takeover, a La Prairie wellness pop-up, the first full summer season of gigi's Montauk, and a landmark lineup of new culinary and lifestyle experiences. A century in, Gurney's remains the defining address of the East End.
